

Jesus Christ has Risen

From the Pastor

Happy Easter! We celebrate the Feast of Feasts when love conquered death. The tomb is empty and our Gospels and readings give testimonies of the Apostles and disciples who encounter the Risen Lord. This event has changed human history. We have passed through the three days that changed our lives, our world, our destiny. We know the way to paradise and that is Jesus. We have heard the word of life that is the truth in a world of lies, manipulation and error. We are fearless because sin and death no longer has reign over our lives for those who are in Christ. We are not abandoned and alone in the world. We have become, in Christ Jesus, sons and daughters of the Father to live in the kingdom of love, abundance, and peace that is eternal.

We have seen this last week those who seek to impose death, reign with terror, who seek to force submission to a god of oppression. Terrorists have struck again in Brussels as they seek to impose a caliphate on the world. Innocent victims were slaughtered by people who have been radicalized by hate. How do we make sense of these senseless deaths? How do we defend ourselves? How do we respond? How do we find hope, peace, and love?

St. Maximilian Kolbe responded to the message of hate in his time by embracing and living the message of Love. "Hate destroys, only Love creates." He sought the transformation of humanity by saying yes to the plan of God. Mary was the human response to God's invitation to a relationship of love. Her response: "Be it done unto me according to your Word," is the acceptance of the will of God in her life to be the Mother of God. Mary is the Theotokos, the Christ bearer. Maximilian sought to say yes to God through Mary and her mission to bear Christ to the world. On the Cross Jesus gave us his most precious gift on earth when he said to the beloved disciple, Behold your Mother! She was present and faithful to Jesus as he was crucified. Maximilian said: "The Cross is the school of love." We encounter the Love of Jesus to the end, who gave himself totally for us. We rejoice with Mary today and the other women who went to the tomb and found it empty. Love conquered death! St. Maximilian said "A single act of love makes the soul return to life." This act of self giving love in Jesus has given us life, eternal life, and death cannot hold us from Jesus who has loved us into eternity. St. Maximilian embraced the cross when he says: "For Jesus Christ I am prepared to suffer still more."

When Maximilian was arrested by the Gestapo he told the friars: "Courage, my sons. Don't you see that we are leaving on a mission? They pay our fare in the bargain. What a piece of good luck! The thing to do now is to pray well in order to win as many souls as possible." In Christ Jesus, we are never alone. In Christ Jesus, we are loved into eternity, In Christ Jesus, we find peace in the midst of Hell. In Christ Jesus we encounter our dignity and destiny. In Christ Jesus we are empowered to fearlessly partake and embark on the mission of Love to transform the world, one soul at a time.

Gospel for Sunday of Divine Mercy (April 3rd)
John 20:19-31

On the evening of that first day of the week, when the doors were locked, where the disciples were, for fear of the Jews, Jesus came and stood in their midst and said to them, "Peace be with you." When he had said this, he showed them his hands and his side. The disciples rejoiced when they saw the Lord. Jesus said to them again, "Peace be with you. As the Father has sent me, so I send you." And when he had said this, he breathed on them and said to them, "Receive the Holy Spirit. Whose sins you forgive are forgiven them, and whose sins you retain are retained." Thomas, called Didymus, one of the Twelve, was not with them when Jesus came. So the other disciples said to him, "We have seen the Lord." But he said to them, "Unless I see the mark of the nails in his hands and put my finger into the nail marks and put my hand into his side, I will not believe." Now a week later his disciples were again inside and Thomas was with them. Jesus came, although the doors were locked, and stood in their midst and said, "Peace be with you." Then he said to Thomas, "Put your finger here and see my hands, and bring your hand and put it into my side, and do not be unbelieving, but believe." Thomas answered and said to him, "My Lord and my God!" Jesus said to him, "Have you come to believe because you have seen me? Blessed are those who have not seen and have believed." Now Jesus did many other signs in the presence of his disciples that are not written in this book. But these are written that you may come to believe that Jesus is the Christ, the Son of God, and that through this belief you may have life in his name.

AN UPDATE FROM ST. VINCENT de PAUL

SVdP is grateful to the OLG community for their prayers & financial support. Who are we helping?

D. is an elderly woman who lives with a couple of roommates. Her health is poor and she needs a knee replacement. We have been helping her with food on a monthly basis. During one of these visits we discovered that she really needed a recliner. That would enable her to sit with her feet up and reduce the pain and swelling in her knee. One of our SVdP members know of someone who was getting rid of furniture and D. now has a recliner for her room.

M & J are a middle aged couple who are currently homeless. Their teenage son is living with friends so that he can finish school and stay off the street. J is disabled and her husband cares for her. He has applied for IHSS so that he can get paid for the full-time care that she requires. Unfortunately, the paperwork keeps stalling. We gave them a number of resources to call, put them in a motel for several nights, gave them 2 Clipper Cards and a laundry voucher.

RECYCLING COMES TO STACK CENTER

You may have noticed the green, blue, and gray bins that have replaced the old garbage cans in Stack Center. OLG parish is initiating recycling in Stack Center in the spirit of being good stewards of our Earth. As Pope Francis tells us, "You are called to care for creation not only as responsible citizens, but also as followers of Christ!" (1/18/15) Having a successful recycling program in a place like Stack Center, which is used by many groups, can be a challenge, but it should help that most people are probably now used to separating their trash at home. To make it even easier, there are clear labels to let you know what goes in each bin. Most of our bowls, plates, and cups are now compostable and can go in the green bins. If we all work together and help each other, we can make this work!
