

You are invited to Alpha this Fall!

Alpha is an opportunity to explore the meaning of life through a basic introduction to Christianity.

The fact is, whether you are a Christian, an agnostic, an atheist, a Buddhist, Muslim, Jew, non-religious, church goer or non-church goer, you have questions about life.

The Alpha Course starts with questions we all have about the existence of God and our own existence. Is what we see in this world all there really is to life? Is there more? Why were we created? Who is Jesus? What is the Church?

The Alpha Course allows us to ask ANY question we want about life, Jesus, God, the Holy Spirit. Basically when you come you will find four things. **FOOD**, we begin each night with a dinner; **FUN**, we will spend time interacting with games; **VIDEO**; we will have an exciting video presentation to introduce us to our topic for the evening; **DISCUSSION**, you will be invited to join a small group where any question is allowed and you can share your thoughts.

You will not be forced to talk, coerced to believe in Jesus, manipulated or put on the spot. We won't lead perfectly but that's our intention: to make our guests welcome, allowing all to hear, share, and ask questions. We hope you will come back and enjoy the whole twelve-week course on Sundays 6pm - 8pm Beginning on October 2.

Talk to Deacon Nels, Fr. Tom, Fr. Paul or Robyn for more information.
