**Message for Our Lady of Grace**

I want to encourage you to make use of the time in shelter in place to take time in prayer and build that dialogue with Jesus in prayer. I watched on **Formed: Divine Mercy**, the second greatest story ever told. I was informed and inspired of how God has worked in these times and brought to us by St. John Paul II. This is a 10 part series and I highly recommend you watch one of these 30 minute episodes each day by yourself or better with your family. Once you encounter the Mercy of God you are never the same and you cannot just go through the motions anymore.

As I prepared for Lent this year I realized that I had become a bit cynical about the world and a bit cold in my heart. I knew I had to change my heart by challenging myself. **40 Days for Life** was the challenge that I took on for myself and for you. Praying in front of Planned Parenthood changed me. I was moved to do sacrificial prayer and was moved to pray my Rosary on my knees on the sidewalk. God began to use this time to work on my heart. I first was touched by realizing that for Mary and Joseph, the Conception of Jesus was an unplanned pregnancy. Neither could have imagined such a child from God. Mary had to face her family and Joseph with the unbelievable news of the child in her womb. Mary was sent from the village to visit her cousin Elizabeth who was far away and she gave her refuge and acceptance. When Mary returns, Joseph seeks to abandon and divorce her. Only a dream with a message of an angel could convince him that the impossible Conception was true and he too responds with a yes through his actions. Mary was forced by political leaders to travel to Bethlehem where she gave birth homeless finding shelter in the stable. Then she had to flee because the political leaders sought to rip the child Jesus from arms in order to murder him. Mary and Joseph fled to a foreign country as refugees just to protect their precious child Jesus. By now I was in tears as I watched the young women going in and out of the clinic. I realized that so many have been deceived to see their only choice was to kill their child.

Then Corona Virus came and everything closed and I thought our eyes would be open and we would see the value of every human life. Instead I saw the State of California close the Churches and protect Abortion clinics, Marijuana dispensaries, and liquor stores as essential business. While we fight to protect lives from this new virus in California we have institutionalized suicide by helping people take their lives through medical assistance. Some of the vaccines in development to fight the Corona Virus are from aborted fetal stem cells. I have to fight this deception and darkness in this time. I have to speak for the widow, the orphan, the foreigner, the homeless and especially the unborn. My mission as your Pastor has become clear. I must bring my people to Christ and the Sacraments so they can be saved, know the truth, live in love, and find hope. I have to build the kingdom of God, the civilization of love, and pray for Divine Mercy to convict us and save us. God touched my heart, opened my eyes, and has given me the conviction and drive to fulfill my mission as your Pastor.

**Invest in a future of hope!**

One of the difficulties of being Pastor is to deal with financial necessities of life in a parish. With our church closed and no Public Masses being allowed and many of you sheltering in place our donations have decreased by over 30%. Living in this new reality of no public ministry we have had to lay-off and furlough several employees at Our Lady of Grace beginning May 1. Since I have had to lay people off staff your clergy are also taking a pay cut. The Franciscans will have to tap our meager savings to cover our deficit from lost wages. If you are able, we ask that you remember Our Lady of Grace and the Conventual Franciscans with a financial gift. May we pray and respond for those who are struggling physically or financially during this Pandemic. It is in difficult times like this that God raises up Saints. Through our prayer and sacrifice we can change the future of the world. That was the message of Fatima: Mary's Immaculate Heart will triumph! There is no time for fear but only faith.

**New at Our Lady of Grace this May**

Deepening your Faith at Home! On **FORMED** in May there is a new series called The Search. Ponder the questions of life and hear the life giving and dynamic answers in a life of faith.

Fr. Tom will be creating a **Video Series in May on YouTube** as he explores the *Franciscan Marian Devotion* and the insights and life this devotion has brought to the Church. I have already posted my Easter Message to the Mission of the Immaculata on Thomas Czeck YouTube page. Check it out on YouTube!

Fr. Tom would like to conduct a Study on the **Eucharist via ZOOM**. Look for more information coming in May! Call the office if you would be interested.

## SUGGESTIONS FOR HOW TO CELEBRATE A LIVESTREAMED MASS

Remember you are in the loving presence of the Lord. As you gather in your home to participate in the online Mass consider these suggestions:

- Gather the family and set up an altar or prayer space with a crucifix and candle
- Wear your Sunday Mass attire and do not have any food, drink or electronic devices to distract you from being present and consciously participating at Mass.
- Recite the corresponding responses and observe the proper gestures at Mass, like standing, sitting and kneeling.
- At Communion time, prayerfully recite the *Prayer of Spiritual Communion*: *"My Jesus, I believe that you suffered and died, and rose from death to save us. I believe that you are fully present in the bread that is blessed and broken, and the wine that is blessed and poured out in the sacrament of the Eucharist. Renew in me your sacrificial presence, and let me be united with you at this moment, so that, in all my thoughts, words and actions, I may represent you, and love others as you love me. Amen"*
