

We are beginning the last week of June. Friday is our last day of Summer School. I don't know about you, but this has been a quick, but good month. Our registration time has begun for our Religious Education programs for our Fall next school year. If you have students to register for our two-year Reconciliation and Eucharist program, our two-year Confirmation Program or for our continuing Whole Family Program, now is the time for registration. Our preparation and planning for these programs has begun. For details, see page 2 of this Bulletin.

I have some great news to share with you. Last week our OLG School Principal, Dr. McGowen attended an end of the year meeting. She and the other Principals received their copy of the Annual Report for our OLG School. Each year, all students take standardized tests to look at their performance. These results are broken down for the individual student's teachers. The Annual Report compares the scores of our students to the other Diocesan Schools and our neighborhood schools. I'm happy to share with you that our scores are higher than both the Diocesan average and our neighborhood school's average.

This was Dr. McGowen's first year as our Principal. We are blessed to have a person with so much talent and experience. We are also very grateful to our teachers and our entire staff. Please keep the blessings rolling. This also says some very good things about our parents and their dedication to the formation of their children. As they say, it takes a village to raise children. Something very good is happening at our OLG School. Please invite other families and students to join in. We have room for growth.

One of the obvious difficulties of Catholic Education is the price. Our School is chiefly funded through tuition. More and more families are finding it difficult to pay for a year of tuition. They are finding it necessary to ask for help. It very much pains me to see families who attend weekly Mass here at OLG, but cannot afford to send their children to a Catholic School. As a Church, we encourage families to have children but in doing so, many cannot afford Catholic Education. Our School has many seats available for students. The cost of everyone's education would be less if they were full. Please encourage others to take advantage of our School. Can you help pay someone's tuition partially or as a full scholarship? We will have to continue working on added sources for funding for our School.

The Thirteenth Sunday In Ordinary Time (July 2nd)

Matthew 10:37-42

Jesus said to his apostles: "Whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me; and whoever does not take up his cross and follow after me is not worthy of me. Whoever finds his life will lose it, and whoever loses his life for my sake will find it. "Whoever receives you receives me, and whoever receives me receives the one who sent me. Whoever receives a prophet because he is a prophet will receive a prophet's reward, and whoever receives a righteous man because he is a righteous man will receive a righteous man's reward. And whoever gives only a cup of cold water to one of these little ones to drink because the little one is a disciple—amen, I say to you, he will surely not lose his reward."
